

SEVEN YEARS WAR - Prussia

Painting Instructions

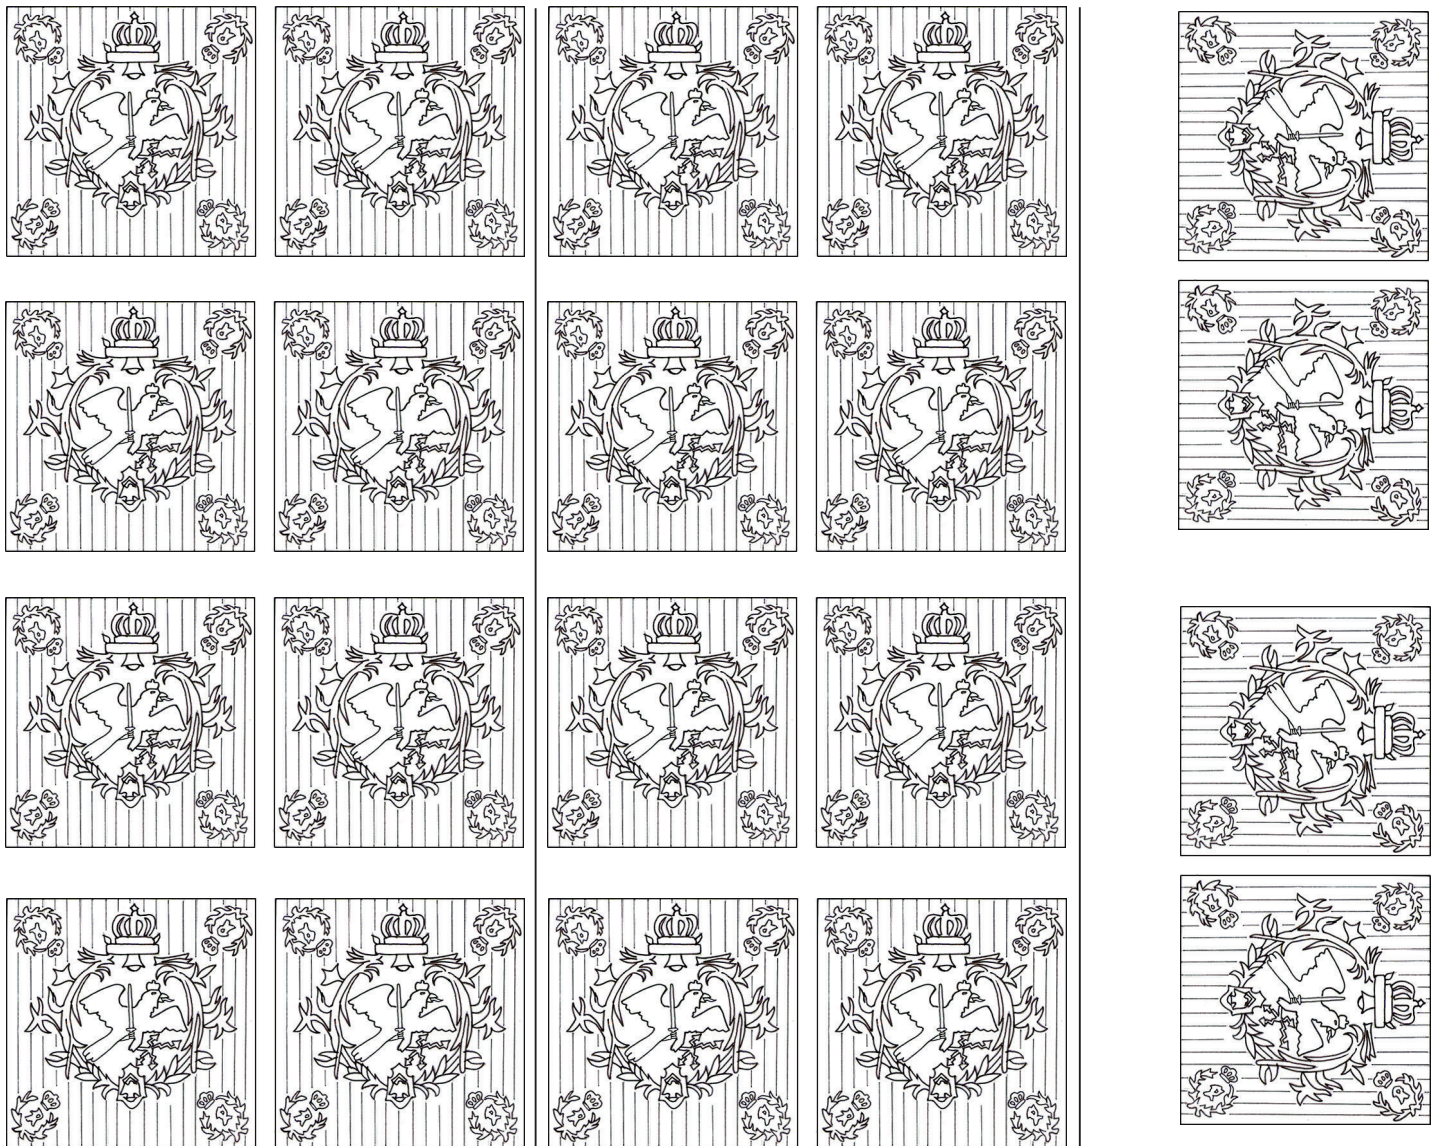

Prussian 15th (Guards) infantry regiment Flag (Regimentsfahne).

Note that the tricorns for the guards regt. were black with a silver edging for the men (part 3104/4) and with silver edging with white feather backing for the officers(part 3104/5).

The 15th (Guards) regiment had a black cravat and red collar, cuffs and turnbacks edged with silver. In all other respects the 3101 - 3103 painting guide applies.

The standard for the guards regiment was of a particular design which is detailed here.

Print and cut out these flags to paint. Use the central gap to fold around the flagpole and glue both sides together again.
