SEVEN YEARS WAR Painting Instructions

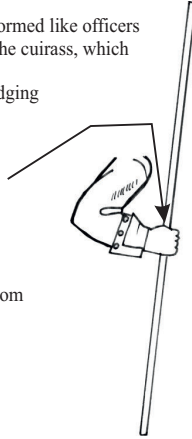

16th (De Ville) Regt Austrian Cuirassier Trumpeter

Standard-bearers were uniformed like officers with brass support straps on the cuirass, which was also edged in gilt.

Tricorn - Black with Gold Edging

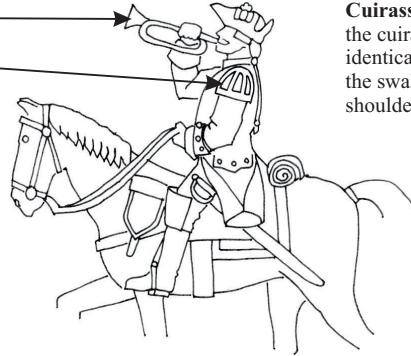

Note on assembly:

To make the standard pole, drill a small hole through the indentation on the top of the hand and insert a brass rod 60mm long. The bottom of the rod should be roughly the same height from the ground as the riders feet.

Trumpet - Brass

Swallow's Nest - Red with White edging.

Cuirassier Trumpeters did not wear the cuirass, otherwise they were identical to the troopers except for the swallows nests on their shoulders.
